SUMMARY

- Driven to learn quickly, advance computer proficiency and training in industry operations. Solid background in field and office settings supporting team needs.
- Flexible and hardworking team player focused on boosting productivity and performance with conscientious and detail-oriented approaches.
- Turning Ideas into Functional & Engaging Digital Experiences
- Possesses versatile skills in project management, problem-solving, and collaboration. Brings fresh perspective and strong commitment to quality and success. Recognized for adaptability and proactive approach in delivering

TECHNICAL SKILLS

- Java
- Time Management
- SQL
- HTML
- MongoDB
- Attention to detail

PROFESSIONAL EXPERIENCE

CodSoft Internship | Web Development - Remote   **06/2024-07/2024**

- During my CodSoft web development internship, I completed three projects: a responsive Portfolio, a functional Calculator, and an engaging Landing Page.
- I designed user-friendly interfaces, implemented interactive features with JavaScript, and optimized responsiveness and performance.
- These projects showcased my ability to create high-quality, creative web solutions that effectively highlight technical skills and enhance user engagement.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set
- Developed organizational skills through managing multiple tasks simultaneously while adhering to strict deadlines.
